

Upon completion of the ACCA qualification, candidates can go on to work in a wide range of roles including auditing, accounting, financial control, management, and business analysis. Many of our graduates also choose to enter the job market as a career choice.

Entry Requirements :

A Level / FIA /

pass from the School Leaving Certificate Grade XII in English and Mathematics.

A Level /

FIA ACCA Applied Knowledge level papers passed or completed.

Skills for Business /

ACCA Applied Knowledge and Applied Skills level papers passed or completed.

BSc Honours in Accounting and Business Administration /

Though ACCA is a separate institution, students who join The British Professional College can gain a degree in Applied Accounting. After the completion of papers and each project, students will have the opportunity to combine a British degree and a professional qualification. Completion of this qualification allows students to apply for a variety of jobs including MBA or MSc in finance, along with many other international qualifications and positions in high demand among employers.
